PAXON SCHOOL FOR ADVANCED STUDIES
COMMUNITY SERVICE PRE-APPROVAL FORM (page 1 of 4)

The Community Service Experience is for students to research social issues and special populations to determine how they would like to serve and to locate possible avenues to provide services. At the heart of the Bright Futures community service plan is a social problem. As a requirement for Bright Futures Awards, students must earn a minimum of 75 community service hours for the Medallion Award and 100 community service hours for the Academic Scholars Award.

To gain approval for community service, which is now a requirement, each student must submit a Paxon SAS Community Service Approval Form to his/her school counselor PRIOR to beginning any community service activity. Any community service that is completed without prior approval from your school counselor (or counselor designee) is subject to not being approved as counting towards the community service requirement.
